

## IBF623 & IBF505 - Summer Courses (Summer Term in AY2020-21)

Same as the previous year, we will offer 2 summer courses - IBF623 and IBF505 in June and July 2021. Please pay attention to the details below if you are interested in enrolling the summer courses. You shall also consider to register for the course(s) even if you suspect (but are not sure) you would need it to fulfill the graduation requirements. Those students who have fulfilled the graduation requirements would not be eligible to take the courses even if they have registered, and would receive refund of tuition.

<b>Course Title</b>	Quantitative Methods for Finance and Economics	Investment Theory and Applications
<b>Course Code</b>	IBF623	IBF505
<b>Category</b>	Quantitative Cluster	Investment Cluster
