

# **REGULATIONS GOVERNING DISCIPLINE OF STUDENTS (with effect from the 2021-22 academic year)**

## **1. Rules and Regulations**

- 1.1 The following rules and regulations are applicable to students of undergraduate and postgraduate programmes offered by the University.
- 1.2 The University may from time to time make new rules and regulations or make amendments to existing rules and regulations. The Registrar will promulgate new rules and regulations and amendments to them by notices. Updated regulations should be regarded as the final authority.
- 1.3 Exemptions from the regulations, which may be made in exceptional cases or under special circumstances, are subject to approval by the Senate.

## **2. Disciplinary Action**

- 2.1 When a matter deemed a potential contravention of any rule or regulation of the University is brought to the attention of a member of the university community (faculty, staff or students), that member may report the matter to the Head of the Department or Unit concerned, or to the Director of Student Affairs. For an academic misconduct case, please refer to Sections 5 and 10 of the Regulations Governing University Examinations and Course Work for details concerning penalty and handling procedures. In cases of violation of hostel rules, the first line of reporting will be to the relevant warden, and further details are set out in Regulations 2.9-2.10. For other cases, except those involving a violation of the laws of Hong Kong (when they must be reported), it shall be at the discretion of the Director of Student Affairs (for non-academic cases not related to hostels) or the Department or Unit Head to whom the item was reported, in consultation with the Director of Student Affairs, as to whether the matter will be referred to the Student Disciplinary Committee. In the event the Director of Student Affairs (for non-academic cases not related to hostels) or the Head of Department/Unit decides that the matter does not warrant referral to the Student Disciplinary Committee, it is at his/her discretion whether to impose the penalties as stipulated in Regulation 2.8 below.
- 2.2 When the Student Disciplinary Committee receives written notification of a matter from a Head (as per Regulation 2.1), the Committee will decide whether the case should be pursued. If the Committee decides to further investigate the matter, it will follow the basic principles and procedures set out below. If the Committee decides not to investigate the case further, the matter will be dropped.
- 2.3 The Student Disciplinary Committee may, as a result of its inquiry or investigation, take disciplinary action against a student who violates any rules or regulations of the University or commits any misconduct, including, but not restricted to:
  - (a) falsification or misuse of University document(s) or record(s);
  - (b) wilful misrepresentation(s) or false statement(s) made in any application or document(s) submitted to the University or to other organisation(s) via the University;
  - (c) a statement, oral or written, that attacks a person's reputation without justification;

- (d) the unlawful use of force on another person; or an attempt to inflict bodily injury upon another person by using unlawful force;
  - (e) failure to comply with any regulations or orders by authorised person(s) or bodies prohibiting any conduct which disrupts teaching, study, research or administration of the University;
  - (f) damage to or defacement of any property of the University;
  - (g) fraud, theft, or misuse of University funds or property of any kind;
  - (h) any conduct which is detrimental to the reputation and well-being of the University, including breaking the laws of Hong Kong;
  - (i) an offence for which the student was convicted by a court of law in Hong Kong or outside of Hong Kong and the student poses a threat to the safety or health of the University community.
- 2.4 Disciplinary action taken by the Student Disciplinary Committee may take the form of any of the following penalties in accordance with the nature and seriousness of the offence:
- (a) a reprimand;
  - (b) a written or verbal apology by the student;
  - (c) suspension from part or all of the rights and privileges and/or the use of part or all of the facilities of the University for a specified period of time;
  - (d) compensation for any damage to property or premises caused in the University;
  - (e) one or two demerit(s). A total of three demerits may result in the termination of studies at the University;
  - (f) a fine;
  - (g) a University service order;
  - (h) suspension from the University for a specified period of time; or
  - (i) termination of studies at the University.
- 2.5 Penalty (i) may be imposed only upon the decision of the Senate. The Student Disciplinary Committee shall make recommendation on whether the student concerned can be re-admitted to the same or another programme of the University; however, in case of termination of studies due to submission of forged document(s), the student should not be allowed to be re-admitted to the same or another programme of the University.
- 2.6 A student, on being informed of a decision to take disciplinary action against him/her, may within seven days appeal to the President, setting out the reasons in writing. The President, at his/her discretion, may refer the case to the Student Disciplinary Appeals Committee. The decision of the Student Disciplinary Appeals Committee will be final.
- 2.7 Penalties imposed on a student may be entered into the transcript of his/her academic records.

- 2.8 A minor penalty, i.e. a reprimand, an apology or suspension from part or all of the rights and privileges and/or the use of part or all of the facilities of the University for a period of not more than a week, may be imposed by the Director of Student Affairs (for non-academic cases that are not related to hostels) or the Head of the Department/Unit concerned after consultation with the Director of Student Affairs or his/her representative, or the Director of Student Affairs or his/her representative in consultation with the Head concerned.
- 2.9 Wardens, in consideration of the nature and/or seriousness of the cases, may require the resident to provide a written or verbal apology and/or suspend hostel residence of the resident immediately for a period of time or permanently.
- 2.10 In the event of a serious case, the warden, after consultation with the Director of Student Affairs, may impose any of the following penalties or refer the case to the Student Disciplinary Committee:
- (a) a reprimand;
  - (b) compensation for any damage to property or premises caused in the University.
- 2.11 For an academic misconduct case, the Board of Examiners may impose penalties in accordance with the penalty guidelines set out in the Regulations Governing University Examinations and Course Work. If a student is given cumulatively a total of three demerits as a result, the Registry will refer the case to the Student Disciplinary Committee for recommendation to the Senate on termination of studies at the University in accordance with Regulations 2.4 and 2.5.
