

International Day 2017 – We Love Lingnan

Office of Global Education

Hello everybody!

We understand that many of you are now being preoccupied with heavy routine workload, and thus we would like to offer you a fantastic half term getaway! You may taste and see the wonders of the world at your doorstep, to be precise, at Wing On Plaza!

International Day is one of the proud traditions of Lingnan and is aimed to promote internationalization and celebrate the beauty of cultural diversity on our campus. International students will showcase their traditions and cultures by performances and booths and you will be amazed by their talents and creativities. As 2017 also marks the year of the 50th Anniversary of the University's Re-establishment in Hong Kong, the event would be part of the celebrations for the golden jubilee.

Just to name a few, there would be Korean pop dance, Funny skit and duet singing performance. Students from **10+ different countries** are going to share with you their national delicacies, handicrafts and games at their carefully decorated booths. It is definitely a no-miss event!!

You are cordially invited to join us to celebrate the cultural diversity of the student body on the – International Day – a proud tradition of the University. Details of the event are as follows:
