Notes:

1. BBA and BBA-RIM students are exempted from this course. This course is a BBA functional core course and is normally taken after BBA students have completed at least 3 foundation core courses (i.e., BUS1102 Statistics for Business, BUS1103 Financial Accounting, BUS1104 Managerial Accounting, BUS2105 Microeconomics for Business, BUS2107 Legal Aspects of Business and BUS2108 Global Business Environment). Correspondingly, non-BBA students should have taken at least three required courses in their majors/streams before enrolling for BUS2206 to demonstrate the appropriate level of intellectual maturity that is required to evaluate the potential use of technology in their relevant disciplines and to integrate cross-disciplinary knowledge.
2. The pre-requisite requirement is waived for data science students and students who have completed a course similar to BUS1102 (such as ECO3101).
