

## 2019-20 Overseas Internship Programmes coordinated / endorsed by SSC: (updated on 20.02.2020)

The following Overseas Internship Programmes are coordinated by SSC. All students of full-time UGC-funded programmes are welcome to apply for these overseas internship programme (except internships with specific study year/major requirements). Subsidies are provided to eligible students selected for these programmes.

### Reminder to Student:

1. With an increasing number of confirmed cases of the COVID-19 (novel coronavirus) as the epidemic continues to spread, please consider your summer plan carefully before making overseas summer internship application.
2. Since the outbreak of novel coronavirus will be regarded as “known events and conditions”, any claims related to the outbreak of novel coronavirus will not be covered, and other coverages will remain unchanged under the University Group Travel Plan. Students are advised to purchase travel insurance by themselves.
3. If there is any unforeseeable factor(s) leading to the cancellation or curtailment or delay of the internship, students are required to bear all the expenses including but not limited to visa, transportation and accommodation costs by themselves. Refund of programme fee is on a discretionary basis. Students are advised to communicate with the related organizer for the details and arrangement.
4. One of the requirements for students to receive overseas summer internship subsidy is to complete the specific internship period in full. If students cannot duly complete the internship period, SSC will not provide the related subsidy to the students.

Application period and further update will be announced via Career News and programme webpages. Further details regarding application and subsidies under each programme, please visit: <http://www.LN.edu.hk/ssc/career/internships>

#### Eligibility of receiving a subsidy for overseas summer internship programmes coordinated / endorsed by SSC:

- Students of full-time UGC-funded programmes
- CGPA of 2.0 or above
- With successful placement and visa application results
- Complete the specific internship period in full
- Fulfill the specified programme requirements, e.g. attend all compulsory trainings/debriefing sessions, submit required reports with good quality
- No outstanding or overdue payment to the University (e.g. Tuition, hostel fee, library fine)

\*\*\*Students may apply for an additional financial assistance to support their participation in overseas summer internship. Please visit SSC Website>Financial Assistance > University Financial Assistance > Student Financial Assistance for Summer Internship Programmes (<https://www.ln.edu.hk/ssc/financial/uni/for-summer-internship>) for more details.

The above list may not be conclusive as new internship programmes may be added onto the list of endorsed overseas internship programmes in the coming months. Please pay attention to our Career News for further update. Should there be any questions about the overseas internships and related subsidies, please check with:

Ms Shirley Siu (T: 2616-7366) of SSC – Career Advising Services.
